Progress Briefs

SKIP FORTER RETIRES

Effective as of November 30, Skip Forter will be retiring from his position as Superintendent of Operations at the Trafalgar Refinery.

Skip has been second in command to Mr. Sicks since the refinery was planned in 1956. Previous to that he was Process Superintendent at the Lake Charles Refinery in Louisiana. Cities Service says goodbye and good luck to a man who has served it faithfully for 36 years.

JACOBY AND SEABRIGHT PROMOTED

"Jake" Jacoby, who was Refinery Technical Director, will take over Mr. Forter's position as Superintendent of Operations. Jake moves into the senior position with 17 years of laboratory and refinery management experience at Cities Service.

Assigned to handle the position of Refinery Technical Director is Ken Seabright, previously Chief Process Engineer. Ken has been in the oil business 27 years and joined Cities Service at the Trafalgar Refinery in 1957.

CREDIT UNION DECLARES 5% DIVIDEND

The officers of the Credit Union announced to a meeting of the general membership on September 28th, that a dividend of 5% would be declared on the minimum monthly share balance of each member up to August 31st, 1960. This represents a solid financial gain by the organization in the first seven months of operation, both in the growth of membership shares and in gross earnings. Those in the company who are not yet members are invited to join and share in the benefits of mutual help and gain.

MARKETING WINS SOFTBALL

Congratulations are due to the Marketing team which won the Cities Service Softball League.

Marketing, captained by Ted Collier, defeated Refining in the finals by taking two games out of three.

Murray Whistler, chairman of the League executive, had this to say about the season: "We have had a very successful first year and we would like to take this opportunity to thank the following for their tremendous support — the Company for granting and the preparation of the ballfield and material for the back-stop, Catalytic for the erection of the back-stop, the Refining Club and Marketing Association for their generous donations toward the equipment, the men who gave their time to umpire the games, and last, but not least, the players who made the league the success it was."

KEARNS ARGO TRAINER

Vern Kearns was appointed assistant trainer for the season with the Argo football club. Vern is a clerk in the Operating Department and has been with the company one and a half years. His duties with the Argos consisted of generally keeping the team in shape and giving them rubdowns, therapy and taping assistance.

BOB FOSTER TRANSFERRED

Bob Foster has been transferred back to New York to carry out market research on new manufacturing projects. He originally came to Canada with the Survey Team in 1956 as a transportation engineer, later becoming Manager, Cost Research for Cities Service Oil Co. Ltd. For the past several years he has been associated with Cities Service Research and Development Co., on the Athabasca project, although he continued to work from the Toronto office.
